Dear ASE Cultural Exchange Staff,

On behalf of UNICEF, I would like to acknowledge the ASE Cultural Exchange Staff's kind contribution of €926 received 01/02/2024, in support of UNICEF's work for the world's most vulnerable children wherever and whenever the need is greatest.

UNICEF's work is all about making a difference for children. And nothing enables us to do this better than your fully flexible contribution to Core Resources for Results. The flexibility of that donation allows UNICEF to achieve the greatest impact for children by ensuring expert staff across all programme areas; scaling up proven solutions globally; leading and pioneering new ideas for children; meeting children's needs throughout childhood and adolescence; and being there before, during, and after an emergency.

Your support is what enables UNICEF to do this. Thank you. This flexible funding from ASE Cultural Exchange Staff will help support our work across five key goal areas to ensure that every child:

- Survives and thrives with access to nutritious diets, quality primary health care, nurturing practices, and essential supplies.
- Has access to education and acquires skills for the future.
- Is protected from violence, exploitation, abuse, neglect, and harmful practices.
- Lives in a safe, clean, and sustainable climate and environment.
- Has an equitable chance in life and lives free from poverty.

Your donation will ensure these types of initiatives can continue and will make sure we are able to respond quickly and efficiently to needs. Especially when the threats to children seem to increase by the day, your solidarity and support have never been more important.

With deep admiration and gratitude, I am pleased to thank all of ASE Cultural Exchange Staff for being there for children. Without you, none of this work would be possible.

Sincerely,
